I don't want to take my clothes off
But I do
I don't want to turn nobody on
Unless it's you

I don't want to dance too hard, babe
But this is a groove
I'm hot and I don't care who knows it
I got a job to do, yes

I'm workin'
Workin' up a black sweat
I'm workin'
Workin' up a black sweat
I'm workin'

I don't wanna break your pride
But I got to
You better take your woman and hide her
I'm about to, got to, got to

Show you what's really good
Break you off like you knew I would
I got a brand new dance
And it's called the

Workin'
Workin' up a black sweat
I'm workin'
Workin' up a black sweat
I'm workin'

You can act hard if you want to
This groove will make you sweet
You'll be screamin' like a white lady
When I count two, three
One, two, three

Workin'
Workin' up a black sweat
I'm workin'
Workin' up a black sweat

Workin'
Workin' up a black
Workin'
Workin' up a black
Black sweat
