7:30 - he said that he'd be here by 6
It's lookin' dirty, I guess he's up 2 his old tricks
He likes 'em pretty, he likes 'em in their lingerie
It's such a pity, I bought a camisole 2 day ... boo hoo,
boo hoo

7:30 and there's still no sign of my baby's blue
limousine

7:31 - I planned 4 him 2 spend the night
We could've had some fun, pretty men, they never
treat U right
They talk so dirty, they get U all worked up inside
It's your car, but everybody else always gets 2 drive

7:31 and there's still no sign of my baby's blue
limousine

He's got a white one, he's got a yellow one
He's got a black one with a body obscene
Still no sign of my baby's blue limousine {x2}

7:32 - where can my baby be?
I must be a fool 2 let somebody do this 2 me
I can't stop him, wherever he parks his car is alright
But he'll be parkin' with a dent in the side if he stands
me up 2 night

7:32 and there's still no U, my baby blue limousine
Baby blue limousine {x4}

He's got a white one, he's got a yellow one
He's got a black one with a body obscene
Still no sign of my baby's blue limousine

He treats U special like U're the only one
Then your girlfriend tells U that he's havin' big fun
Still no sign of my baby's blue limousine

He's so pretty, he's so nice
He'll make U feel like U're in a paradise

Still no sign of my baby's blue limousine {x2}

He like 'em pretty, he like big titties
He likes 'em in their lingerie
Still no sign of my baby's blue limousine

He's all black, he's all white
Everybody's gotta jam 2 night
Limousine {x2}
Still no sign of my baby's blue limousine {x2}
