Break My Heart [Controversy Music]

Oh ho. Baby. Ah ah. Oh ho. Baby.

How many times have you called my number
Wishin' I was someone else
How many times has my heart tumbled
Feeling sorry for myself
How many times have I kissed you
And smelled another man's perfume
How many lonely nights I missed you
Wishin' for your body in my lonely room (lonely room)

Baby, if you break my heart 1 more time
It'll be the last heart you ever break
I've taken all I can take
Baby this heart wasn't made to break

How many times can you hurt me (hurt me)
Before your conscience make you stop (stop, stop,
ooh)
I stand it all, why now desert me
Baby you know you never cop (never cop) never cop
Nobody'll ever do you like I do
You've got to get your thing together sister
I'm tired of being your fool

If you break my heart 1 more time
It'll be the last heart you ever break
Baby I've taken all I can take
Baby my heart wasn't made to break

Baby don't you break my heart, no, no
Don't do it
If you break my heart 1 more time
It'll be the last heart you ever break
Darling, I've taken all I can take
Baby this heart wasn't made to break

(When you fix your mind to tell that lie)
When you fix your mind

to tell a brand new lie
Remember this story told by and by (by and by)
False words should (never)
Never be, never be spoken
Baby my heart should never be, never be broken

If you break my heart 1 more time
It'll be the last heart you ever break
