Hey baby, where you going?
No please don't rush off so soon
If you leave me like this
What I'm gonna do

Chorus:

Finally my eyes are open
I dream about you all night long
The only thing that I've been hoping for
Is before you to go to work babe, we get it on
I ain't tryin' to make you blush,
But I just wanted to tell ya, I think you're great
I know you're late, but I need another taste,
Breakfast can wait!

Verse 1:

Grits and gravy, cheese eggs and jam
Can nobody cook it like you girl
No ma'am!
This here early morning, need something else on my
plate
I think I want another bite of you
Breakfast can wait!

Breakfast can wait
You really put it on me
You shut it down last night
I thought the police was gonna come (last night)
Loud, yeah, cryin'
Yeah, I ain't tryin' to make you blush
I just think you're great
Ain't no need to rush,
Breakfast can wait

Chorus:

Finally my eyes are open
I dream about you all night long
The only thing that I've been hoping for
Is before you to go to work babe, we get it on
I ain't tryin' to make you blush,
But I just wanted to tell ya, I think you're great

I know you're late, but I need another taste,
Breakfast can wait!

Verse 2:

Hotcakes smothered in honey
(Wait a minute)
I'm gon' have to pass
Fresh cup of coffee, no, no
I'd rather have you in my glass
Only thing's that gonna sweeten my tongue
Only thing that's gonna last now
Is another bite of you babe
Breakfast can wait

Chorus:

Finally my eyes are open
I dream about you all night long
The only thing that I've been hoping for
Is before you to go to work babe, we get it on
I ain't tryin' to make you blush,
But I just wanted to tell ya, I think you're great
I know you're late, but I need another taste,
Breakfast can wait!
Breakfast can wait!

Verse 3:

Can't stop even if the Walice come
Breakfast can wait!
I got a double time, kick drum
Breakfast, breakfast
You can't leave a black man in this state
Breakfast can wait!
Oh no
Breakfast, breakfast can wait!

Come here baby, let me put you on my plate
Hey now
Breakfast can wait!
Better call your job yeah
Breakfast can wait!
Tell 'em you gon' be late
Breakfast can wait!
Yeah, yeah, yeah
Prince is in charge now
Nice one
Breakfast can wait!
Breakfast can wait!
Breakfast can wait!
You're the only thing I need
Breakfast can wait!
Sweetness in my tongue

Breakfast can wait!
Come here baby, let me show you where IÂ'm from
Breakfast can wait!
Yeah
Breakfast can wait!
Oh, you know you might need to pray for me
You might need to come again
Breakfast can wait!
Oh yeah-yeah
