Listenin' to the drummer
But you still wanna have fun
It shouldn't be work
2, 3, baby

I don't like this much to drink, I was there
I know right now it's hard to think, I don't care
But it's time for you and me to wonder why we're here
Maybe we should roll to the rock and rumble Calhoun
Square
(Let's roll)

Meet me there if you dare
Calhoun Square

It don't matter clothes you're wearin' or your hair
If you're freaky, they don't care and they don't stare
(Ain't nobody lookin' at you)

All that matters if you're happy and if you're there
(Are you there?)
Don't you wanna roll to the rock
And rumble Calhoun Square?
(Don't you wanna?)

Meet me there if you dare
Calhoun Square

Walk through veils of many colors if you dare
(Do you dare?)
Jasmine, peach and love for others in the air
(It's all in the air)

Don't be shocked to see your mother in the chair
(Sit down, baby)
Everybody roll to the rock and rumble Calhoun Square
(Oh Lord)

Oh, come on
Oh Lord
Hear me now

Calhoun Square
Calhoun Square
Calhoun Square
Calhoun Square

Meet me there if you dare
Calhoun Square
