Yeah, yeah, yeah!

Saw U standin' over by the wall

Lookin' like U havin' no fun at all

If U want me and U have The Ball

Just give me your number baby, I'll give U a call

Hey baby, can I talk 2 U?

Can I walk with U?

Can I stay with U?

Can I play with U 2night?

No!

Lord, I wanna play with U

No!

Can I play with U?

I noticed that U were not havin' fun

Maybe it's because U ain't talkin' 2 anyone

Just give me a sign, pretty mama, and I'll be your
number one

U and I creep 2 my house and then we'll take off
everything

Hey baby, can I talk 2 U?

Can I walk with U?

Can I stay with U?

Can I play with U 2night?

No! Shh....

Can I play with U, mama?

Pretty mama

No! No!

I can tell U never really understood

The difference between bad and good

I can turn U out girl, U know I could

Let me talk, let me talk, let me talk, can I talk 2 U?

Oww!

I wanna play with U

Lemme talk, lemme talk, lemme talk 2 U, mama

Oww!
