Dear dad
Things didn't turn out quite like I wanted them to
Sometimes I feel like I'm gonna explode

Everybody wanna see you down for the count
But that ain't what being a real man's about
The brave and the bold hang around for the kill
So the bigger the hole, the bigger we fill it
(Fill it)

They can hit us with all they got
But cha know what?
What?

I can't stop this feeling I got
I feel it right down to my toes
I can't stop this feeling I got
My body got to have it you know

I can't stop this feeling I got
I'll write a letter to the whole world
I can't stop this feeling I got
Every man, woman, boy and girl

Can't stop this feeling I got
I can't stop this feeling I got
I can't stop this feeling I got
I can't stop this feeling I got

I can't stop this feeling I got
You know I can't sleep at night
I can't stop, you know I love it a lot
I'm talking about an everlasting light

I can't stop this feeling I got
I get to shaking all in my shoes
I can't stop this feeling I got
The doctor say there's nothing that he can do

I can't stop this feeling I got
I can't stop this feeling I got
I can't stop this feeling I got

I can't stop this feeling I got
(Keep on singing now)

I can't stop
Try to tell me how to paint my palace that ain't where
it's at
That's like trying to tell Columbus that the world is flat
If the song we're singing truly is the best
Then that my brothers is the ultimate test
All in favor say, "Aye"
We can change anything at all

I, I, I can't stop
Can't stop
I'm in a butt kicking mood tonight y'all
Can't stop, can't stop
Can't stop this feeling I got

Can't stop this feeling I got
Can't stop this feeling I got
Can't stop this feeling I got
Can't stop this feeling I got

Can't stop this feeling I got
Can't stop this feeling I got
Can't stop this feeling I got
(No, no, no, no)
Feeling, feeling, feeling, feeling, hey

Hey, pardon me for living
(Pardon me for living)
But this is my world
(This is my world)
You can't make me change
(You can't make me change)
Maybe we all got to rearrange our brains
(Rearrange)
(Our brains)

Yeah
Only we can change the world
Only we can change the world
Only we can change the world

1, 2, 1, 2, 3
I can't stop this feeling I got
I can't stop this feeling I got
I can't stop this feeling I got
Feeling, feeling, feeling, feeling, feeling, feeling, yeah
Yeah

Feeling I got
Feeling I got
Feeling I got
Feeling I got
Feeling I got
