Ow!

Everyone come behold Christopher Tracy's Parade
The show will proceed unless it should rain strawberry
lemonade
Hopefully that will not occur, the man above has been
paid
Give what U can, all U can stand, and all of your life will
be made

Everyone should come and dig Christopher Tracy's
piano
The chord strikes, the devil no like, so he runs 2 his evil
car

Everyone come behold Christopher Tracy's Parade
Goodness will guide us if love is inside us
