This song's about a high class model,
over in Paris, France (Oh, Cindy C)
If I get a camera,
Tell me will u dance (will u play with me?)
If I take a picture,
In the middle of the night (Oh, Cindy C)
Will u fuck with me,
sugar, say it's alright, c'mon (will u play with me?)
(Say it, say it)

(Cindy C, play with me)
(I will pay the usual fee)
Aahhh Cindy C, (What's it gonna be?)
will u play with me? (What's it gonna be?)
(Cindy C, play with me)
(I will pay with usual fee)
Aahhh Cindy C, (What's it gonna be?)
I'll pay the fee (Cindy C)

Super-fine heifer (super fine)
I saw u in the Vogue
I knew you would be trouble, (trouble, trouble)
but why go (go,go)
I'll give you 7 sips of
Elderberry wine (1,2,3,4,5,6,7)
Maybe we'll unlock the
Secrets of your mind

(Cindy C, play with me)
(I will pay the usual fee)
Aahhh Cindy C, (What's it gonna be?)
will u play with me? (What's it gonna be?)
(Cindy C, play with me)
(I will pay with usual fee)
Aahhh Cindy C, (What's it gonna be?)
I'll pay the fee (Cindy C)

The passion's in the mix. (Serve it up, Sheila)
Drink it quick - Cindy, shit
Where'd u get that beauty mark?
Maybe u and I should be undressing

Don't all girls look the same? They don't?
Oh, what a shame.
Cindy, Cindy. I'll pay the usual fee
What's the matter, don't u like me?

([help me] tell me what it's all about)

I'm talking about a long [crucial wait](Cindy C Listen
Girl, if I have 2 beg (She's so tired)
I'm gonna see u in (Look at me)
your birthday suit tonight (She doesn't look as good as
I do)
I'm sure you're quite intelligent (U think she does, but
think again. See?)
A whiz at math and all that shit (how 'bout that?)
But I'm, I'm a tad more interested (Ah ha ha look it,)
(She can't even walk in those shoes)
(I can walk better than that)
in flyin' your kite tonight (She can't even dance)
Cindy, is that alright? (I would give somethin' to know)
(how she ever sees anyone)
(Cindy C)
Oohhh Cindy C, will u play with me?
I'll pay the usual fee

Two organ solos 2 go...

(Oh Cindy C, Oh Cindy C, Oh Cindy C, Oh Cindy C)
(Oh Cindy C, Oh Cindy C, Yeah, Oh Cindy C, Oohhh
Cindy C)
(Oh Cindy C, Oohhh, Oohhh, Oh Cindy C)
(Oh Cindy C, Will u play with me?)
(Oh Cindy C, I will pay the fee)
(Ah Cindy C, Will u play with me?)
(Ah Cindy C, I will pay the fee)

Help me (aaww shit)

Excuse my savoir faire,
But, baby I'm dying 2 take u everywhere (Oh yeah?)
I wanna show u 2 my friends
Because baby, you're the living end (Tell me now)
Let me have a debt worth winning,
I can feel your ice is thinning
Like a frozen pond in spring
Your furry melting thing awaits me
Your furry melting thing awaits me, (Oh Cindy C)
and my six-string (Will u play with me?)

(Cindy, where r u?)
C'mon Cindy (Oh my God)

C'mon Cindy (Wait)
Don't u want 2 play with me? (Ah, yes, no, wait)
Don't u want 2 play with me? (Yes)
What's the matter with me, Cindy? (Nothing)

[shockadelica]

Oh Cindy C, won't u play with me?

Music is the key 2 set yourself free
From depression, drugs and increasing poverty
The key is 2 the lock, the lock is on the door
The door has a knob that u've never turned before
The jack, use the jack, it opens up the lock
Cuz there's the key 2 unlock the body
Place it like that 2 open up the door
The door 2 the house full of people galore
The beat won't stop 'til the JM jocks
And he jacks the box 'til the party rocks
The clock tick-tocks and the place gets hot
And believe it or not, all the troubles u forgot
It's just that easy if u want it 2 be
For all the fellas, and the young ladies
So ease your mind and set yourself free
2 the mystifying music that we call Cindy C

Oh Cindy C, won't u play with me?
Oh Cindy C
