Lie down
We can do this all night

I know U got a young man
U don't care about me
He's darker than quicksand
He's taller than a tree
What U need is some real lovin'
Instead of these young-ass fools
I got the butter 4 your muffin
Just need the keys 2 the room

CHORUS:

Come on, baby (Shake it now)
Come on shake it now (Come on, baby)
Come on, baby (Shake it now)
Come on shake it now (Come on, baby)
Come on, baby (Shake it now)
Come on shake it now (Come on, baby)
Come on, baby (Shake it now)
Come on shake it now

We could freeze in London
U could hear me sing (Hear me sing)
And if U wanna make love then (Come on)
U got 2 wear my ring (Put it on, put it on)
Cuz I don't want no mistress (Talk 2 her)
I'd much rather be bound (Totally open)
Let's find a preacher
So we can get down, down, down

CHORUS

Come on

Ha, ha - U and your girlfriend
Y'all 2 of a kind
Just runnin' these knuckleheads
3 and 4 at a time
Both of U's want babies
But U still actin' wild
The first rule in makin' one

U can't be no child

Instead of hittin' that remy (Hittin' that remy)
Why don't y'all hit the door? (Hit the door)
I'll book us on the red eye
And we'll be good 2 go (Good 2 go)
And if every life has got a reason
U can be mine
Perfume in the bath, darlin'
Champagne while we dine

Come on, baby (Shake it now)
Come on shake it now (Come on, baby)
Come on, baby (Shake it now)
Come on shake it now (Come on, baby)
Come on, baby (Shake it now)
Come on shake it now (Come on)
Come on, baby (Shake it, shake it, baby)
Come on shake it now

Come on (Come on, baby)
Yeah (Come on, baby)

20 days in London
And U ain't gimme no love
Could it be another brotha man
That U're thinking of?
Or could it be your girlfriend
Who never ever been straight
When I ask U - "Are U hungry?" (Hungry)
U say U already ate (Ooh)

U can play me if U wanna
But U better let me know (Let me know, baby)
I don't need 2 play the good licks
If there ain't gonna be no show
I'm better off sleepin' with my guitar
If U ain't gonna sing
Strapped 2 the body
Makin' love 2 the strings

(Yeah, baby)
Come on, baby - come on shake it now {x4 }

(Gimme, gimme good love)
Instead of talkin' about babies (Come on)
If we ain't gonna make love
U can't do nothing 4 me, 4 me
(Come on, gimme, gimme good love)
Can't do nothing 4 me, baby (Come on)

Come on, baby - come on shake it now {x3}
Come on, baby
I got the butter 4 your muffin
