"Cool"

Visit "[Cool](#)" on MotoLyrics.com

I got a penthouse in Manhattan
2 more in Malibu
I bought a '87 Cadillac Seville
Girl, I got a Mazerati 2
I wear diamonds on my fingers
I got a couple on my toes
I wear the finest perfume money can buy
It keeps me smellin' like a rose
If U wonder how I do it
There's just one simple rule
I'm just cool (Cool)
Oh oh - Honey, baby can't U see?
Girl, I'm so cool (Cool)
Ain't nobody bad like me, hey
(C-O-O-L) What's that spell?
(C-O-O-L)
I might dine in San Francisco
Dance all night in Rome
I go any freakin' place I want 2
And my lear jet brings me home (Listen darlin')
I got ladies by the dozens

I got money by the ton
Just ain't nobody better
Heaven knows that I'm the one
And it's all because of something
That I didn't learn in school
I'm just cool (Cool)
Cool - Honey, baby can't U see?
Girl, I'm so cool (Cool)
Cool - Ain't nobody bad like me
Sing it, baby
(C-O-O-L) What's that spell?
(C-O-O-L) That spell cool
(Cool) Cool
Sweeter than sex
(Cool) That spell cool
(Cool) Cool
So what U think?
(Cool) Cool
What time is it? Ooh
Listen baby, it takes a lot of lovin' and a little money
2 be a friend of mine
But baby, if U know how 2 shake that thing
I'll try 2 squeeze a little time
Cuz I make love, love every mornin'
2 who's ever by my side

Well, U might say that I'm a nymphomaniac

But it keeps me satisfied

When I look into the mirror

It just tells me something I already know

I'm so cool (Cool)

Cool - Honey, baby can't U see?

Girl, I'm so cool (Cool)

Cool - Ain't nobody bad like me

Sing it

(C-O-O-L) What's that spell?

(C-O-O-L) What time is it?

More (Cool)

I'm so cool (Cool)

Cool (Cool)

And I'm so cool (Cool)

Band

(C-O-O-L) {x2}

Cool, that's right

I'm cooler than Santa Claus, baby

Oh, mm hmm

Ain't nobody bad like me

Somebody pinch me

I must be dreamin'

I know that's right, honey

Cuz there ain't nobody bad like me

What time is it?

Is it time 2 get my hair done yet?

I said, "What time is it?"

Time 2 just walk and shake my head

I'm cool 'til I'm dead

Enough has been said

Come on, baby, let's go 2 bed

Everybody

Walk, shake my head

Cool 'til I'm dead

Enough has been said

Let's go 2 bed

When I look into the mirror

It just tells me something I already know

I'm so cool (Cool)

Ain't nobody bad like me

Oh, I'm so cool (Cool)

I said ain't nobody bad like me

All 2gether now

(C-O-O-L) What's that spell?

(C-O-O-L)

{repeat chant 10 times}

Band? (Yes!)

Is anybody hot? (No!)

U know why? (Why?)

Cuz we're cool (Cool!)

(Yes! No! Why? Cool!) {x3}

Oh, I'm so cool
