I am the cybersingle, that is me  
Come and get my download  
2 be free or not 2 be free,  
That is the question, see?  
All the beautiful ones are with me  
See, it's lovely

As the media tightens (What?) its grip on U (U know)  
And the beast continues (What?) 2 split in 2 (Listen  
y'all)  
Superman steps in the phone booth (Word) one more  
time (Come on, come on)  
2 drop another cybersingle (Drop it) life-saving rhyme  
(It's lovely)  
Lookin' for a sound that'll make U organize  
Dead Prez. and Rage conspire 2 open up your eyes  
(Can U see?)  
What good is a mind of a man if it's run by another?  
(Nothing)  
Take back your conscienceness, my sisters and  
brothers!

CHORUS  
(Yeah yeah)  
(That is me)  
(Download)  
(Free)

It's lovely

Can't leave the keys in my brand-new car  
Cuz U don't know it's wrong 2 steal  
The devil got U thinkin' he's invisible  
But how he make U act is real  
Stupid

Talk a beat  
Turn around, long hand, come on

Cybersingle  
Television got your mind but U got 2 get free  
Cybersingle

Purple Haze  
Jesus saves  
Cybersingle

Sister and brothers have love 4 one another! {x2}  
Cyber, cyber {x2}
