Damn u, you're so fine
Seems to happen to me each and every time we make
love
I can't hold back, it's like havin' a hundred million little
heart attacks
Damn u, baby you're so fine

Damn this kooky love affair
All I ever wanna do is play in your hair
Two people crazy in love, into one another like a hand
in glove
Damn this kooky love affair

Damn u

Like animals just born to breed
Come to think about ya baby, you're my only need
I'm on fire 'til you come and put me out
All I'm trying to say is that my psychedelic shouts
When u damn me, damn u

When I'm in your arms it's all that I can do
When we're makin' love, I can't hold back
It's like havin' a hundred million little heart attacks
Damn u, baby you're so fine, damn u, baby you're so
fine

{That one's dedicated to all the lovers
That was beautiful
This one's dedicates to the whores
What you just}

{Pimp rag

God

Who is your god?

You

Is this reality or just another facade?}
