Damned if I do
Tell me what's up with the teenage indecision
Im mad in love but u wont give me permission
U said, be here at 9
Then scream at me 4 not giving u more time, more
time

Damned if I do, damned if I don't
U say u want me 2 love u
But when I try, u wont
Maybe, maybe we should say goodbye

Damned if I do

Tell me the truth, how many u do it 2?
I smell vermouth everytime I don't get 2 kiss u
Enoughs enough
If u don't want my lovin, then I'll give up, I'll give up

Chorus:
Damned if I do, damned if I don't
U say u want me 2 love u
But when I try, u wont
Baby, maybe we should say goodbye

Goodbye

Damned if I don't try 2 make u see yourself the way I do
Open minded, worldly, always ready 4 taboo
Tell me what's up, are we gonna go 2 heaven?
Ill fill your cup, I wont do it like kevin

Chorus

Damned if I do, damned if I don't
Baby, maybe we should say goodbye
Maybe we should say, I do

T siempre ests hablando de lo qu tenemos qu hacer
{ure always speaking about what we should do}
Bueno, t sabes
{well, u know}

Pero lo qu tienes qu hacer
{but what u should do}
Qu? {what? }
Es buscarte una menta para la boca porque apesta!
{is get a breath mint because your mouth stinks!}
Qu es lo qu t ests diciendo?
{what are u saying? }
Por favor... cometelas todas!
{please... eat them all!}
A mi no me apesta la boca!
{my breath doesnt't't stink!}
