So long have we known each other (So long have we  
known each other)  
So little do we know (Little do we know)  
Sometimes I feel like strangers (Sometimes I feel like  
strangers)  
The real us we seldom do show (Seldom do show)

CHORUS:

Desire, it covers our faces  
It happens in curious places  
Your body, it covers my tower  
Ecstasy is ours

I dream of a physical evening (Dream of a physical  
evening {x3})  
I long 4 a night within U  
U're saving your love 4 some soldier (Some soldier  
{x3})  
Who'd much rather die than stay by your side  
If U only knew

CHORUS

A ghost from your past  
Prevents us from knowing the pleasures of love  
What must I do 2 convince U  
Isn't the expression on my complexion enough?  
(Ecstasy)

Don't tell me we have conflicting emotions  
It's written all over your face  
Come my love, cover my tower  
Ecstasy is ours

So long have we known each other (So long have we  
known each other)  
So little do we know  
Let me show U

CHORUS {x3}
