Diamonds and Pearls (The Hits Mix)[Controversy Music
- 1991]

This will be the day
That u will hear me say
That I will never run away

I am here for u
Love is meant for two
Now tell me what u're gonna do

If I gave u diamonds and pearls
Would u be a happy boy or a girl
If I could I would give u the world
But all I can do is just offer u my love

Which one of us is right
If we always fight
Why can't we just let love decide(Let love decide)

Am I the weaker man
Because I understand
That love must be the master plan(Love is the master
plan)

If I gave u diamonds and pearls
Would u be a happy boy or a girl
If I could I would give u the world
But all I can do is just offer u my love

D to the I to the A to the M
O to the N to the D to the pearls of love
D to the I to the A to the M(To the M)
O to the N to the D to the pearls of love

There will come a time(There will come a time)
When love will blow your mind(Blow your mind)
And everything U'll look 4 U'll find(Take a look inside)

That will be the time(That will be the time)
That everything will shine(Forever)

So bright it makes u colorblind(U will be color blind)

If I gave u diamonds and pearls
Would u be a happy boy or a girl
If I could I would give u the world
All I can do is just offer u my love

If I gave u diamonds and pearls(Pearls)
Would u be a happy boy or a girl(Yeah yeah)
If I could I would give u the world(Give u the world)
All I can do is just offer u my love(All I can do)

If I gave u diamonds and pearls(Diamonds)
Would u be, would u, would u
(Would ya, would ya, would ya be happy little baby)
A happy boy or a girl
If I could I would give u the world
