Les enfants qui mentent ne vont pas au paradis
Okay Mercy

When I lie awake in my boudoir I think of you dear
Do you think of me or do you lie, do you lie?
When I'm in a sad and lonely mood dear, I cry for you
dear
(I cry for you)
Do you cry for me, do you cry, do you cry?

When I need someone to talk to, you're not around
When I need another humans touch, I wear a frown
'Cause you're uptown
Going down, going down, going down

I, I, I don't lie to you
(I, I don't lie)
When I say that I'm in love Mama
(Mama, Mama)

I feel so good when you're near
(Mama, Mama)
Tell me do you feel it too, do you lie, do you lie?
(Or do you cry?)

Do you cry from the inside out dear or are they only
artificial tears?
(Artificial tears)
Do you really mean it when you cry, when you cry, when
you cry?
(Cry)

When I need someone to talk to
(Do you lie?)
You're not around
(You're not around)
You're not around
(I wear a frown)

When I need
(Tell me why)
Another humans touch, I wear a frown

(Tell me why you wanna go)
'Cause you're uptown
(And leave me all alone)

Going down, going down, going down
(Goin' down)
Going down, going down, going down
(Down, down, down)
Going down, going down, going down
(Down, down, down)

When I lie awake in my boudoir
(I think of you)
I think of you dear
(Do you?)
Do y'all think of me or do you lie, do you lie?
