If U see me walkin' down the street one day
Don't say nothin' 2 me - no no, nothin'
Cuz U did me wrong when I was doing bad
So bad, I didn't think I was gonna make it
Now I'm alone, feelin' free
Freer than the butterfly flyin' high now - yeah yeah,
baby
I don't claim no riches or any miracles
But I'm doin' better on my own

So if U see me, walk on by, baby
Don't say nothin', walk on by now
Do yourself a favor, walk on by, yeah
Don't say nothin', walk on by - yeah, yeah, yeah, yeah!

Oh yeah {x2}

U didn't even try 2 understand
Just where I was comin' from - no no, baby
Instead of understanding, U gave me your
demandings
And I couldn't stand it - uh uh, baby
Now it's much 2 late and there's no time 4 me 2 try
Not anymore - uh uh, baby
Listen - Say, I don't feel no pain, it doesn't hurt inside
And I'm doin' better on my own

So if U see me, walk on by, baby
Don't say nothin', walk on by now
Do yourself a favor, walk on by, babe
Don't say nothin', walk on by - yeah, yeah, yeah, yeah!

Yeah {x2}

Now it's much 2 late and there's no time 4 me 2 try
Not anymore - uh uh, baby
I don't feel no pain, it doesn't hurt inside
And I'm doin' better on my own
So looka here, baby!

If U see me, walk on by now

Don't say nothin', walk on by now
Just do yourself a favor, yeah, walk on by girl
Don't say nothin', walk on by - yeah, yeah, yeah, yeah!

Looka here, don't... don't... don't try 2 talk 2 me now,
baby
I'm doin' OK
I'm makin' it on my own, baby
Looka here
(Do yourself a favor) {repeat in BG}
U know, honey, U know I ain't rich or nothin'
I ain't claimin' no miracles, but ah...
I'm a bachelor now, baby
U know what I'm sayin'?
Just do yourself a favor, baby, just walk on down the
street, huh
I ain't got a damn thing 2 say 2 U now, baby - Look out!
When we was 2gether, did U try 2 understand me? No!
So just do yourself a favor and get the hell down the
road
Mmmm

2 sexy
Yeah, mmmm
Somebody call up the Colonel, I hear some chicken
scratchin'
Good God, yes
2 sexy
Somebody else fall in, I don't care who it is
Just come on, keep it goin', come on

Uh, yes
U like that?
Then come here, sit down
Let me talk 2 U
U hear that?
That's a 50 dollar bill
When's the last time U seen one of them?
That's what I thought
Let me tell U somethin'
When me and U used 2 be... me and U used 2 be
2gether
I didn't have no money in my pocket
That's all different now, that's all different
Now U wanna play, now U wanna play crazy
U're not crazy
U're no crazier than I, don't play, don't act like that
U didn't try 2 understand where I was comin' from back
then
Why U tryin' 2 now?
Cuz U know I got that money, that's why

Uh huh, yeah
Sit down, don't talk, come here, sit down!
I'll kick your ass
What, U think U bad now?
I'll kick your ass
Come here, good God

Mmmm
Oh yes
Somebody call up the Colonel, I hear some chicken
scratchin'
Pow!

If U see me walkin' down the street one day, baby
Don't say nothin'
U used 2 do me wrong, baby
That's back when I was doin' bad
But now, baby, now, baby, I got more money than I ever
had
Oh Lord, yes yes
Do yourself a favor, baby
Take it on down the road
Let that sidewalk hit U where the dog should've bit U,
yes baby
Oh Lord
Oh Lord, eh

I'll kick your ass
Don't U play crazy with me, I'm...
U... U not crazy, I'm crazy
I'm the one that's crazy {fade out}
U're not crazy
Come here
Don't U walk away from me
I don't care what I told U, come back here
U hear me talkin' 2 U, baby?
Come here, come here
I'll kick your ass
