How beautiful do the words have 2 be
Before they conquer every heart?
How will U know if I'm even in the right key
If U make me stop before I start?

If I came back as a dolphin
Would U listen 2 me then?
Would U let me be your friend?
Would U let me in?
U can cut off all my fins
But 2 your ways I will not bend
I'll die before I let U tell me how 2 swim
And I'll come back again as a dolphin

Why does my brother have 2 go hungry
When U told him there was food 4 all?
This is the man that stands next 2 the man
That stands 2 catch U when U fall (Oh!)

If I came back as a dolphin
Would U listen 2 me then?
Would U let me be your friend?
Would U let me in?
U can cut off all my fins
But 2 your ways I will not bend
I'll die before I let U tell me how 2 swim
And I'll come back again as a dolphin

If I'm under water, will U find me? (Find me [x4])
Will U shine a light and try 2 guide me?
It's happened before, I've knocked on your door
But U wouldn't let me in

How beautiful do the words have 2 be
Before they conquer every heart? (Oh!)

If I came back as a dolphin
Would U listen 2 me then?
Would U let me be your friend?
Would U let me in?
U can cut off all my fins
But 2 your ways I will not bend

I'll die before I let U tell me how 2 swim
Come back in the end as a dolphin (Oh)
(I'll come back, baby)
(Let me in, let me in) As a dolphin
(Be my friend) Dolphin
(Yeah, yeah)

Dolphin
As a dolphin
As a dolphin
As a dolphin
