Little darling  
Gotta go now  
Don't know when I'll be coming back  
Got my future  
All planned out  
Got my bags packed  
Things don't always turn out right  
That's just the way it goes  
Before I leave u there's just a few things u should know

Don't talk 2 strangers  
Don't forget to say your prayers at night  
Remember god he made u  
And one day he'll make everything alright  
Don't cross on yellow  
U always got to wait 4 a green light  
Remember god he made u  
One day he'll make everything alright

Alright

Little darling  
Gotta go now  
Don't worry u'll be just fine  
When it comes 2 good luck  
I just know, I just know u'll always be the first in line  
Nobody'll ever love u as much as I do  
That doesn't mean other people won't love u 2  
Don't talk 2 strangers  
Don't forget 2 say your prayers at night  
Remember god he made u  
And one day he'll make everything alright  
Don't cross on yellow  
U always got to wait 4 a green light  
Remember god he made u  
And one day he'll make things alright

Alright  
Make everything alright  
Alright

Little darling

Gotta go now  
Got my future all planned out  
Before I go  
Don't talk 2 strangers  
Don't forget to say your prayers at night  
Remember god he made u  
One day he'll make everything alright
