Ooh, look at me, I'm a Cadillac

I'm a brand new convertible child

I've never been driven baby, U're the first

Come on baby, drive me wild ... ooh

Ooh, look at me, I'm a telephone

Whatever U want, just dial

Come on honey, please, it's so easy

Do it baby, drive me wild

CHORUS:

Come on baby, do it, drive me wild

Do it baby, drive me wild

Come on baby, do it, drive me wild

Do it baby, drive me wild

Ooh, look at me, I'm a radio

Call me up, make a request

I'll do anything, just name it

When I'm bad, baby, I'm the best

CHORUS

Ooh

Ooh, look at me, I'm a baby doll

Just pick me up and I'll smile

I may be young but I'm a whole lotta fun

Come on, baby, drive me wild

CHORUS

Ooh, do it, drive me wild

Come on baby, drive me wild

Ooh, do it, drive me wild

Come on baby, drive me wild

Drive me wild, drive me wild
