Ever since I was a little baby  
I had 2 have double everything  
When they tell me that's enough  
That's when I wanna fill my cup  
2 the top, Johnny, hear me sing

Emancipation - free 2 do what I wanna  
Emancipation - see U in the purple rain  
Emancipation - free 2 do what I wanna  
Emancipation - break the chain, break the chain

Ever since that Eve did unto Adam, alright  
What somebody been sho'nuff doin' 2 me (Watch it!)  
I've been tryin' 2 break the chain  
Get my little ass out the game  
I'd rather sing with a bit more harmony, oh

Emancipation - free 2 do what I wanna  
Emancipation - see U in the purple rain  
Emancipation - free 2 do what I wanna  
Emancipation - break the chain, break the chain

Johnny please, huh, when I was on my knees  
My back was broken and my spirit ill at ease  
And now it seems just like the autumn leaves  
Your money's turned from green 2 brown and now U  
best believe

Emancipation - free 2 do what I wanna  
Emancipation - see U in the purple rain  
Emancipation - free 2 do what I wanna  
Emancipation - break the chain, break the chain

(Emancipation) [repeat in BG]  
Break the chain, oh yeah  
Well, sho'nuff  
See U in the purple rain  
Emancipation - free 2 do what I wanna  
Break the.. break the.. break the chain!

Hey!  
Alright!

Hey! [x4]

Emancipation  
Free - don't think I ain't!
