Clap your hands, y'all  
Come on, clap your hands  
This is the everlasting now!

I knew this dude, he was very cool  
He used 2 rule until he went 2 school, good God  
Not a normal school that breeds a fool  
But one that teaches men aren't fit 2 rule, no they ain't

That's when he took his pearly crown  
He raised it up and spun it 'round  
And tossed it into the deep blue underground  
No longer lead by the ways of men  
He looked 4 the kingdom deep within  
That's when the drums in his head began 2 pound

Don't let nobody bring U down (Let nobody)  
Accurate knowledge of Christ and the Father  
Will bring the everlasting now  
Join the party, make a sound (Join the party)  
Share the truth, preach the good news  
Don't let nobody bring U down  
The everlasting now

Say Portland, I wonder can I get U 2 just jump up and  
down?  
Can U jump up and down?  
Good God, aw hit me!  
Got 2 flip me over  
Talkin' about a pancake  
Got 2 flip me, yeah yeah yeah  
Hey hey, good lawd!  
I heard U upstairs going old school with me  
Say what, say what?  
Ooh ooh! Come on y'all (Ooh ooh)  
I can't hear U (Ooh ooh) {x2}  
Ah!  
(Ooh ooh) {repeated}  
Turn the lights on

Ow!

I love U Portland!  
Good night

Don't let nobody bring U down (Let nobody)  
Accurate knowledge of Christ and the Father  
Bring the everlasting now  
Join the party, make a sound (Join the party)  
Share the truth, preach the good news  
Don't let nobody bring U down  
The everlasting now

I told U we were gonna get deep 2night  
Now everybody, jump up and down  
Jump up and down  
Portland, jump up and down  
Hit me band!  
E-ver-las-ting now!  
I'm from Minneapolis, I don't play that  
Ow, Lord  
Thank U, good night  
I ain't through!

Candy blow your horn, good God!  
Portland, somebody say owwa (owwa) ow (ow)  
Owwa (owwa) ow (ow)  
Ooh ooh ow (ooh ooh ow) ooh ooh ow (ooh ooh ow)  
Owwa (owwa) ow (ow)  
Thank U, good night

I thank U so much  
Let's everybody get comfortable
