Extraordinary love U made 2 me
Some kind of scary
I would be a fool 2 leave U
4 I was born 2 love U, this is true
Extraordinary - the way U make me feel
I'm so very glad it's real
And not a dream
Even though it seems I'm dreaming

People tried 2 break us up
There were times a little rough
We survived cuz we had a love

Ladies and gentlemen, from Holland:
Miss Candy Dulfer

Extraordinary - I'd give the world 2 U
Each and every thing U do is so very nice
U make my clock tick 12 twice then disappear, yeah
yeah yeah
Time and everything else when U are near
Extraordinary, oh oh oh!

Renato Neto on the keyboards
