Fantastic [Controversy Music]

Late at night when the world is sleeping
U are frightened 'cause the power's creeping
In your room is something u're afraid of
Life or doom is what this feeling's made of

Power fantastic is in your life at last
U're a little apprehensive
'Cause what it is, is what u want and need

Minor G is the chord of pleasure
It will be played 11 measures
U will see fire but you're cool as ice
U're a liar (huh), if u say this isn't nice

Power fantastic is in your life at last
u're a little apprehensive
What it is, is what u want and need

Power
Power - ooh

Power fantastic is in your life at last
u're a wee bit apprehensive
'Cause what it is, is what u want and need

Power, Power, Power fantastic
