I've been diggin' you for such a long time  
You don't even know that I'm alive  
Something 'bout the way you walk  
Just really blows my mind  
Sorry but I'm sick of all this jive, okay

Let me touch your body, baby  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

Let me touch your body, baby  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

Something 'bout your body, baby, really get me hot  
Sweating girl and it's all because of you  
I don't want your credit cards or anything you got  
Feel you up is all I wanna do, what do you say?

Let me touch your body, baby  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

Let me touch your body, baby  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

I ain't looking for a one night stand  
I only wanna feel you up  
I don't really wanna be your man  
I only wanna feel you up

Physical attraction, babe  
It's what it's all about  
Hot and cold reaction  
Feel you up, turn you out

Come on, baby, come on

Let me feel you up  
Come on, baby, come on  
Let me feel you up

What's the verdict? I don't like suspense  
How can you resist my burning touch?  
Something 'bout the way you walk  
Just really blows my mind  
I never wanted anything so much, okay

Let me touch your body, baby  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

Let me touch your body, baby  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

I've been diggin' on you  
For such a long time  
I've been diggin' on you  
I've been diggin' on you  
I've been diggin' on you

Let me touch your body, baby  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

I ain't looking for a one night stand  
I only wanna feel you up  
I don't really wanna be your man  
I only wanna feel you up

Feel you up  
Sugar, sugar  
Sugar, sugar

Let me touch your body, baby, come on  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

Let me touch your body, baby, come on  
Let me feel you up  
Come on, baby, come on  
Let me feel you up

Let me touch your body, baby, come on

Let me feel you up  
Come on baby, come on
