"Fell U Up"

Visit "[Fell U Up](#)" on MotoLyrics.com

I been diggin' U 4 such a long time
U don't even know that I'm alive
Something 'bout the way U walk just really blows my
mind Sorry but I'm sick of all this jive, okay?

CHORUS:

Let me touch your body baby
Let me feel U up
C'mon baby, c'mon, let me feel U up (Huh!)
Let me touch your body baby
Let me feel U up
C'mon baby, c'mon, let me feel U up

Something 'bout your body, babe really get me hot
Sweatin' girl and it's all because of U
I don't want your credit cards or anything U got
Feel U up is all I wanna do
What do U say?

CHORUS

(Huh!)

I ain't looking 4 a one night stand
I only wanna feel U up
I don't really wanna be your man
I only wanna feel U up
Physical attraction, babe
Is what it's all about
Hot and cold reaction
Feel U up - turn U out!

C'mon baby, c'mon, let me feel U up (Huh!) {x2}

Ha - what's the verdict? I don't like suspense
How can U resist my burning touch?
Somethin' 'bout the way U walk just really blows my
mind
I never wanted anything so much, okay?

CHORUS

(Huh!)

I been diggin' on U (4 such a long time)
I been diggin' on U (I been diggin' on U)
I been diggin' on U

Let me touch your body baby
Let me feel U up
C'mon baby, c'mon, let me feel U up

I ain't looking 4 a one night stand
I only wanna feel U up
I don't really wanna be your man
I only wanna feel U up

Feel U up sugar, sugar
Sugar, sugar

CHORUS
(doo bee doo bee doo bee)

CHORUS
(Hey, hey hey, hey hey!)

Huh - what's the verdict? We don't like suspense
How can U resist my burning kiss?

Feel U up, feel U up, sugar sugar, huh

Let me touch your body baby, come on
Let me feel U up
C'mon, baby, c'mon

I ain't looking 4 a one night stand
I only wanna feel U up
I don't really wanna be your man
I only wanna feel U up
Physical attraction, babe
That's what it's all about
Hot & cold reaction
Feel U up - turn U out! (Huh!)

I ain't talking 'bout earning nothing baby
I only wanna feel U up
Let me touch your body baby

CHORUS
(Huh!)

Yeah, let me feel U up

In time of trouble, I'll be right there on the double

Whatever U want, whatever U need
Oh, baby, U can count on me
Cuz I'm a funky man, I'm a funky man
And I just wanna, I just wanna (Feel U up)
I just wanna (Feel U up)
I just wanna
C'mon baby, c'mon, let me feel U up
