4 love I have given U the very best, yeah
Any woman ever can
4 love I would follow U everywhere U go
My friends don't understand

I would tie U with a chain
If that would put U in the frame of mind I think's so cool
I want U so badly
Don't U know I'd gladly give my life 4 loving U

CHORUS:

4 love
Do most anything 4 love

Listen 2 me

4 love I would suffer kisses from another
If that was what turned U on
4 love I have done less and still felt the best
When I'm with U, nothing is wrong

I would tie U with a chain
If that would put U in the frame of mind I think's so cool
I want U so badly
Don't U know I'd gladly give my life 4 loving U

CHORUS

Do most anything 4 love (4 love)

Baby, come and take me, any way U make me
I'll be good and that's 4 sure
Baby, if U love me
I'm the one and only doctor that's got the cure

Baby, I would tie U with a chain
If that would put U in the frame of mind I think's so cool
I want U so badly
Don't U know I'd gladly give my life 4 loving U

4 love

I'll do most anything 4 love

4 love {x4}

I'd do, I'd do

Do, I'd do, I'd do

Looka here

I will do anything, anything 4 loving U

Uh, kaleidoscope of musical colors, ooh, hit me!

Sounds so good, uh

Mmm (Coca-cola) Ha ha

Yeah!

(What's that?)

4 love, 4 love, 4 love

Hang on, uh

I gotta go feed the dog

Oh, oh, oh, yeah! {mimic dog barks}

Good dog
