La da da da da da da da  
La da da da da da da da

There comes a time, in every man's life  
When he get's tired of foolin' around  
Juggling hearts in a three ring circus  
Someday will drive a body down to the ground

I never imagined that love would rain on me  
And make me want to settle down  
Baby it's true, I think I do  
And I just wanna tell you that I wanna with you  
(Baby, if you do too)  
And baby if you do too

Forever, forever, baby I want you forever  
I wanna keep you for the rest of my life  
(You can make right)  
All that is wrong in my world  
(You are my saviour)  
You can make right  
(You are my light)

You are my saviour  
You are my light  
(Forever I want you in my life)  
Forever I want you in my life

(La da da da da da da da)  
(La da da da da da)

(Every man's journey)  
There comes a road  
In every man's journey  
(Don't be afraid)  
A road that he's afraid  
To walk on alone  
(I'm at that road)

I'm here to tell you  
That I'm at that road  
(I'd rather walk it with)

And I'd rather walk it  
(You than walk it alone)  
With you than walk it alone  
(You are my future)

You are my hero, you are my future  
(No past)  
When I am with you, I have no past  
Oh baby my one and only desire  
(Make this feelin' last)  
Is find some way in this doggone world  
(Sugar it's true)  
To make this feelin' last  
(I know I do)

Oh baby it's true, I know I do  
(To with you)  
And I just wanna tell you  
That I want to with you, yeah  
And baby if you do too

Forever, forever, I want you baby, baby forever  
(You can make right)  
I wanna keep you for the rest of my life  
(You are my saviour)  
All that is wrong in my world  
(You are my light)  
You can make right  
(Forever I want you in my life)

You are my saviour  
You are my light  
(La da da da da da da da)  
Forever I want you in my life  
(La da da da da da da da)
