Ganster Glam in the house and I must confess, see

That this is the shit P

Servin' them a New Power Soul

4 those who would ever try 2 rock the NPG

4 those who are wondering, a family is born

And God bless us 'cause we're funky

Everything we do is on a positive tip

And got a message 4 a sucker with lip

Tell 'em, Rosie

(Let a woman be a woman and man be a man)

Yeah, U tell 'em, baby

And as I put the Mmm in Man

I'm kickin' the Gangster Glam
