How can I put this in a way so as not to offend or
unnerve?
But there's a rumor goin' all round that you ain't been
gettin' served
They say that you ain't you know what in baby who
knows how long
It's hard for me to say what's right when all I wanna do
is wrong

Gett off, 23 positions in a one night stand
Gett off, I'll only call you after if you say I can
Gett off, let a woman be a woman and a man be a man
Gett off, if you want to, baby here I am, here I am

I clocked the jizz from a friend of your's named
Vanessa Bet, Bet
She said you told her a fantasy that got her all wet, wet
Something about a little box with a mirror and a tongue
inside
What she told me then got me so hot I knew that we
could slide

Gett off, 23 positions in a one night stand
Gett off, I'll only call you after if you say I can
Gett off, let a woman be a woman and a man be a man
Gett off, if you want to, baby here I am, here I am

Gett off
Gett off

1, 2, 3, nah, little cutie, I ain't drinkin', gett off
Scope this, I was just thinkin', you plus me, what a ride
If you was thinkin' the same, we could continue
outside, gett off
Lay your pretty body against a parkin' meter, strip your
dress down
Like I was strippin' a Peter Paul's, Almond Joy
Lemme show you baby, I'm a talented boy

Everybody grab a body
Pump it like you want somebody
Gett off, gett off

So here we, so here we, so here we are
Here we are in my paisley crib
"Whatcha want to eat?"
"Ribs"
"Ha, toy, I don't serve ribs
You better be happy that dress is still on
I heard the rip when you sat down"

Honey, them hips is gone
That's alright, I clock 'em that way
Remind me of something James used to say
"I like 'em fat", "I like 'em proud"
"Ya gotta have a mother for me"
Now move your big ass 'round this way
So I can work on that zipper, baby
Tonight your a star and I'm the big dipper

Na, na, na, na
Na, na, na, na
Kick it
Gett off
Gett, gett off

How can I put this in a way so as not to offend or
unnerve, gett off
There's a rumor goin' all round that you ain't been
gettin' served, gett off
They say that you ain't you know what in, baby
Who knows how long, gett off
It's hard for me to say what's right when all I wanna do
is wrong

Gett off, 23 positions in a one night stand
Gett off, I'll only call you after if you say I can
Gett off, let a woman be a woman and a man be a man
Gett off, if you want to, baby, here I am, here I am

Come on
Gett off, gett off
Gett off, gett off
Gett off, gett off
Gett off
