Look outside Ur window  
Tell me now what U c  
Coming up the mountain  
4 a new philosophy  
Every single color  
Every race and ever creed  
Lookin' 4 the truth ya'll  
That's gonna set somebody free

Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more  
Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more

All across the nation  
People doing what they can  
2 avoid the tribulation  
That will b great throughout the land  
Everything in darkness  
Must come out in2 the light  
When we love each other  
That's the only way that's gonna be right

Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more  
Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more  
Good god!  
Say it again

Bridge!  
We were meant 2 live 2gether  
Underneath the sun  
Eye can't think of nothing better

Don't U wanna come?  
Get on the boat

Nevermind what time it is  
The party's just begun  
No te alejes de este momento de inspiracion  
U can let Ur hair down  
Let the music move Ur feet  
Panamama bring the drama  
Dancin' 2 the beat  
Maceo!  
What's the harm in listening 2 the hopeful words we  
say  
If it moves Ur heart U know U better get in without  
delay

Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more

Dance to the beat... Ray, Ray, Ray  
Leadline- horns, hit me now

Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more  
Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more

We were meant 2 live 2gether  
Underneath the sun  
Eye can't think of nothing better  
Don't U wanna come?  
Get on the boat

Ooh Yea

Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more  
Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more

Every color, every creed

C'mon c'mon  
Come with me  
Hallelujah!

Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more  
Get on the boat  
Get on the boat, people  
Get on the boat now  
We got room 4 a hundred more

Good lord  
Lead line, lead line

Can't stand it  
Keep it going, keep it going
