Get wild, ah
Get wild, ooh, ooh, baby
Get wild, get wild
Get wild, get wild

When you're sick of that nine to five
And you're ready to come alive
When you look both high and low
And you can't find a trumpet that blows

Come on baby
(Aw shucks)
Where the good times never die
Come on baby
(Aw shucks)
Where the damsels good and fly

Come on baby, you can shake
Your funky monkey 'til it cry
Polyvinyl acetate will keep your monkey high
If you wanna get real freaky, now's the time to try
(Come on y'all)

Get wild, everybody up in the place
Get wild, it don't matter what sex or race
Get wild, all you nasty girls and boys
If you wanna get wild, say yeah
(Yeah)
Make some noise

When you want to get in the groove
But the music don't make you move
Hip the DJ to a new CD, anything by the N.P.G.

Come on baby
(Aw shucks)
Where the good times never die
Come on baby
(Aw shucks)
Where the damsels good and fly

Come on baby, you can shake

Your funky monkey 'til it cry
Polyvinyl acetate will keep your monkey high
If you wanna get real freaky, now's the time to try
(Come on y'all)

Get wild, everybody up in the place
Get wild, it don't matter what sex or race
Get wild, all you nasty girls and boys
If you wanna get wild, say yeah
(Yeah)
Make some noise

Get wild, like you know you need to
Pick a funky outfit, short and see through
Versace got it going on in the gold mesh
Why don't you try it on tonight, when you get dressed?
Get wild's the only aroma that my nose will see
(Get wild)

Why don't you spray a little
Where you think I'm gonna be?
And you know, you know what shoes to wear
The ones so high you're scared

Ououo, peligro que aqui yo vengo
(Oh oh, danger for here I come)
(Get wild)

When you can't find the G to your GO
Even charged, your battery's low
When the smoke's too thick to blow
There's a brand new high we know

Come on baby
(Aw shucks)
Where the good times never die
Come on baby
(Aw shucks)
Where the damsels good and fly

Come on baby, you can shake
Your funky monkey, 'til it cry
Polyvinyl acetate will keep your monkey high
If you wanna get real freaky, now's the time to try
(Come on y'all)

Get wild, everybody up in the place, yes
Get wild, it don't matter what sex or race
Get wild, all you nasty girls and boys
(Get wild)
If you wanna get wild, say yeah

(Yeah)
Make some noise

Get wild
(Shake it)
Shake your money maker
Get wild
(Shake it)

Shake your money maker
Get wild
(Shake it, shake it)
Shake your money maker
Get wild
(Get, get)
