Get your groove on  
I got some money cuz I just got paid  
It's time 2 get my groove on  
Been workin' hard, now it's time 2 play  
I gots 2 get my groove on  
Can't wait 2 see your face again  
U keep me happy, yeah, U're my best friend  
In The Park around a half past 9  
Meet me, we'll have a real good time

Come on, everybody get your groove on  
Come on, we gonna party all night long  
Get your groove on

I got some honey and some peppermint tea  
That's all I need 2 get my drink on  
Don't want this night 2 end if U're with me  
We gonna party all night long  
Bring the player, I'll bring the CDs  
But don't U put nothing slow on  
That new D'Angelo, some N.P.G.  
And we'll make a bet 2 see who keep their clothes on

Come on, everybody get your groove on  
Come on, we gonna party all night long  
Get your groove on

I'm usually workin' both night and day  
No time 4 fun  
But 2night I'm gonna get my groove on  
I'm sayin' 'til I see the sun  
Till I see the sun, ooh, I wanna play

Come on!

Speak  
Hey girl, let's hang 2night  
Alrighty  
Around a half past 9?

I got some money cuz I just got paid  
It's time 2 get my groove on

Been workin' hard, now it's time 2 play  
I gots 2 get my groove on

Come on, everybody get your groove on (Hey baby)  
Come on!  
Get your groove on

Get your groove on

Hey, nice joint, huh?  
It's alright  
U see anything U like in here, U know what I'm sayin'?  
I think I see little somethin', somethin' over there  
But there's 2 much smoke in here, ehh  
Wait, wait, wait  
What's your name, lil'? Come here  
Eeewww!

Get it on, get on  
Get your groove on  
Baby, get your groove on  
Oh yeah  
Get it on

(Get your groove on) [repeat in BG]  
Getcha, getcha, get your groove on  
Getcha, getcha  
Getcha, getcha, get your groove on  
Getcha, get your groove on  
Oh baby  
Get your groove on  
Oh baby, oh yeah  
Get your groove on [x2]

Girl, U believe that brother that came over here?  
I'm tellin' U, with a tooth missin' and everything  
Hey Rhonda, girl, how U doin'?  
Hey, how U doin' Montalbo?  
Is Juice in there?  
Don't U mean...  
U know, Big Julius  
The sleazy one?  
Yo, I know Big Juice is in there, girl

Gettin' that groove on (Get your groove on)  
(Getcha, getcha, get your groove on)  
Oh, get it on

Girl, I think we better leave  
Cuz if we don't, I think I might have 2 have another one  
Then I might change my name

2... ?

What's my name? Margarita

Y'all help me find Juice, I'm tryin', I can't find him

Are U still lookin' 4 him?

Yeah, he's just... U know

He's up in here somewhere, I can't find him though

(No no, definitely not seen him)

Girl, let's go, I smell like an ashtray

(It's time 2 go)

We ain't goin' nowhere

Sir, I'm sorry

This club has a very strict dress code

We do not accept bluejeans

What U mean?

It don't take Stevie Wonder 2 see I got on the right  
clothes in here

I need 2 get up in this club

Hell, I could buy every one of ya

Fuck yourself!
