Girl 6

(Oh yeah)

Yeah!

Girl 6 (Hi there, what's your name?)

Girl 6 (Oh yeah)

Girl 6 (I've got dark hair and I have a really great figure)

Girl 6 (Oh yeah) (Ooh yeah, yeah)

Girl 6

All the way from the ghetto

No little man could sway (Uh uh uh!)

Till she gets 2 the level

No price 2 BIG 2 pay (Yes! And it counts)

She keeps her pride in her pocket

Next 2 the Milky Way, hey!

Girl 6 - what do U wanna hear? (I got 38D's)

Girl 6 - listen 2 your fears (I got a 25 inch waist) (Oh yeah)

Girl 6 - laughing at her tears (I'm horny all the time)

Girl 6 - I can make it as long as U are near

Passion fanatic U can call this dame (Ooh yeah)

U can talk your sh.. (Shut up, already) no matter how lame (Damn!)

The ego's landing on the claims 2 fame

She got your number (Primetime) and U're all the same

U know it's so good when she rock it

Heaven's only a phone call away, hey!

Girl 6, yeah - what do U wanna hear? (I got 38D's)

Girl 6 - listen 2 your fears (I got a 25 inch waist) (Oh yeah)

Girl 6 - laughing at her tears (I'm horny all the time)

Girl 6 - I can make it as long as U are near

Girl 6

(Feels so good)  
Girl 6 (Oh yeah)  
(U know what I'm gonna do 2 U, baby? Huh?)

What's the end 2 the way out? (Way out)  
How do we get directions 2 this ever elusive route?  
What's a sister 2 do when dignity's all she dreams  
about?  
Girl 6 in doubt (In doubt)

Hey, yeah  
(U'd be watchin' the game and I'd be on U tight)  
(With that woman 2 man full court pressure defense)  
Hey  
Gi.. Gi.. Gi.. Girl 6  
(I've been on my feet all day)  
Girl 6 (And now I'm on my hands and knees)  
Gi.. Gi.. Girl 6  
(I sure wouldn't mind 2 take a break so I can like.. talk 2  
U) (Oh yeah)  
Girl 6 (There she comes, she's right there) (Ha ha)  
Girl 6 (Yeah)  
Girl 6 (We are gonna practice safe sex, aren't we?) (Oh  
yeah)  
Girl 6 (I will make it good, Girl 6)  
Girl 6 (I love U)  
Girl 6 (Oh yeah)  
Girl 6 {repeat 2 fade
