Girl, U excite me so
Ooh wee baby, your body's like no other
Girl, it's U I gotta know
Ooh wee baby, I bet U're quite a lover
Ooh girl, I wanna take U home
Ooh wee baby, U're dreaming I scream inside U
I want U in the worst way
U make me...

Girl {x2}

Girl, won't U kiss me?
Ooh wee baby, my lips they want U so
Girl, how can U resist me?
The smell of animal lust is all, all over me
Oh girl, if I could hold your hand
I'd make U touch my body until U understand
I'm your man all night, all day
I want U in the worst way
U make me...

Caress the flower
Warm, warm
Bring it 2 the garden
The garden?
Be poetic
Tell me what it feels like
A sea of electricity?
Now that's wonderful
Talk 2 U? Talk 2 U?
What do U wanna hear?
If I was anything else I'd be the water in your bath,
darling
Mmm

(Girl) Girl, U excite me so
Ooh wee baby, my flesh is on fire
(Girl) Girl, the way U play with it
Ooh wee baby, I think U desire me

Girl
Make a wish, baby

Anything
We'll make it come true
Me and U
I want U in the worst way
U make me...

Ooh girl
(Girl) {x2}
U like the dreaming I scream...

Girl, your lips are so wet (Girl) {fade out}
Feel my hands, they're all sweaty
