Glam Slam

Everybody grab a body, pump it like U want somebody  
{x2}

CHORUS:

Glam Slam

Everybody grab a body, pump it like U wanna party

Glam Slam

Everybody grab a body, pump it like U wanna party

Hey little girly, don't U wait  
I can see U had a hard day  
Come on baby, let your hair down  
Come on, dance 2 the funky sound (Oh)

CHORUS

Hey little girly, what U say?  
Swing that big ol' hip this way  
I can show U how 2 do it  
Grab my body, let's get 2 it (Oh)

CHORUS

Hey little girly, what U drinkin'?  
Skip that, I was just thinkin'  
U + me, what a ride  
If U was thinkin' the same, we could continue outside  
Lay your pretty body against the parkin' meter  
Flip your dress down like I was strippin' a Peter Paul's  
Almond Joy  
Let me show U, baby, I'm a talented boy

Everybody grab a body, pump it like U want somebody  
{x3}

(I'm a talented boy) {x2}

Glam slam

Mmm, we could kiss in front of everybody  
I don't care, that's right, I pulled your dress up

Shit, U ain't got no underwear on  
I should've known, I should've known  
Butterscotch curly hair, I wish U had some drawers on  
now  
Stone freak 2 the bone  
I can't believe it  
Girl, we goin' home

Everybody grab a body, pump it like U want somebody  
{x2}  
Glam Slam

So, here we are, here we are in my Paisley crib  
Whatcha want 2 eat?  
No toy, I don't serve ribs  
U better be happy that dress is still on  
I heard the rip when U sat down  
Honey, them hips is gone  
But that's al... - I clock 'em, clock 'em that way  
Remind me of somethin' James used to say:  
"I like 'em fat, I like 'em proud"  
U gotta have a mother 4 me  
Now move your big ass around this way  
So I can work on that zipper, baby  
2night I'm a star and U're the Big Dipper

Glam Slam  
Everybody grab a body, pump it like U wanna party

Everybody grab a body {x2}

Can I interest U in [this here] Duke?  
The past could be useful in the moment of truth  
If I'm keepin', things ain't what they use 2 be  
And I catch U hummin' along, I know U're 4 the greed  
But it's cool because 2 me U look 17  
Yeah, I got a lot of nerve, I color it green  
I wanna put U in a love machine  
But first I wanna scream, first I wanna scream  
Scream about the way U really make me feel  
No need 4 respect cuz U 4ever get the seal of approval  
Yeah, I know U ain't a tramp  
I watched 5 guys get their faces slapped  
I count 3 more askin' U 2 dance  
The rap must have truly been tired and bland  
U couldn't wear the look that had all 3 runnin'  
Girl, I must confess your finesse is stunnin'

Everybody grab a body, pump it like U want somebody  
{x2}

CHORUS  
(Slammin')

Glam Slam (Hey)  
Everybody grab a body, pump it like U want somebody

Everybody grab a body, pump it like U wanna party  
Glam Slam  
Everybody grab a body, pump it like U wanna party  
Glam Slam
