This thing we got, it's alive
It seems to transcend the physical
One touch and I'm satisfied
Must be a dream, it's so magical

Glam slam thank you ma'am
You really make my day
Glam slam thank you ma'am
I pray you'll always stay

I know I hold you too tight
But I just can't seem to get close enough
I want to hold you every night
I'm so horny and you're the star

Glam slam thank you ma'am
You really make my day
Glam slam, thank you ma'am
I pray you'll always stay

Heavy feather, flick a nipple
Baby, scam water ripple
I don't understand
It means I love you

Come a butterfly straight on your skin
You go for me and I come again
Glam slam thank you ma'am

Sun is risen, moon is gone
Soda fizzin' on the lawn
Come a butterfly straight on your skin
Glam slam

Glam slam thank you ma'am
You really make my day

This thing we got, it's alive
It seems to transcend the physical
One touch and I'm satisfied
Must be a dream, it's so magical

Glam slam thank you ma'am
You really make my day
Glam slam thank you ma'am
I pray you'll always stay

Glam slam
You will always stay
You will always stay
It's all right, it's okay
