Tony, yo, what's, what's up, bitch? Oh shit, nigga
I haven't see you since high school about 10 years, Roy
Yeah, ah man, been here and there
You lookin' good though man

Yeah, you too man, you lookin'
Hey yo, would you check this out?
Would you help a brother out, man?
I'm kinda in a spot, you know what I mean?

Ah man, I got little change
What you need a little 10, 15 or somethin', man
Got myself, yo, yo, actually, I could use a bone
Since you pullin' that out, you know

Yo man, I ain't seen you in about 10 years
What's up with that homeboy?

Yo, so as I fade
I send a shout out to all my brothers lookin' for the
hand out
You know we gots to get paid
But check it out

Ah, be your own man, yeah
Come on, ah, be your own man
Yeah, you got to be your own man, yeah
