Owwww  
Like I love my guitar

[Verse]  
Get Dirty At the club were in  
Use it around your waist like a chain within  
I got that call so I jumped in my car  
I love you baby  
But not like I Love my Guitar

[chorus]  
No  
Not like I love my Guitar

[Verse]  
You couldn't do it all by yourself  
You had to go and get somebody else  
Your High enough to call me  
But you cant reach the phone  
I love you baby  
But not like I love my guitar

[chorus]  
No  
Not like I love my Guitar  
Turn it up

[Verse]  
I tried to warn you  
That its hard to be a star  
Especially when your driving other peoples car  
Would of gave you mine girl  
But you took it to far  
I Love you baby  
Just not like I love my guitar

[chorus]  
No  
Not like I love my Guitar

[Verse]  
I know you love me

And you want to be Friends  
And if you dont at least you need to pretend  
We'll still be together  
If we dont get that far  
I love you baby but not like I love this guitar

I love you baby and I wish you well  
I'll write a letter when I learn how to spell  
Until the day you can go to hell  
I love you baby you know the rest
