Say baby, the soup tastes kinda funny
I don't know
My skin's crawling
It feels strange

Is this the same soup as usual?
I don't know
It feels strange

Hallucination rain
Hallucination rain
Find another vein
Hallucination rain

I think this is gonna be the big one
This one's gonna last five minutes or more
This is gonna be the real one
One that's gonna make you look for the key
To the door that leads to the alley where we

Did the last one this is gonna be fun
Did the last one this is gonna be fun
Did the last one this is gonna be fun
Did the last one this is gonna be fun

This is gonna be the good one
The one that makes all the books
This is gonna be the only chance
We get to redeem ourselves, I'll confess if you do

But here's the hook are you ready?
But here's the hook are you ready?
But here's the hook are you ready?
But here's the hook are you ready?
But here's the hook are you ready?

Pain, pain
Sweet laceration
Pain, pain
Hallucination rain

Pain, pain

Sweet laceration
Pain, pain
Hallucination rain

Hallucination rain
Hallucination rain
Hallucination rain
Hallucination rain
