"Here"

How beautiful r u? there's more than
A thousand replies
Could it b ur lips or ur golden eyes?
When eye think of an answer
That's when eye get so surprised
Another wonder of the world realized
That's y

Eye just don't want you here
Eye just don't want you near me baby

Cuz eye'm scared eye'll cry
And live you like crazy
Flying above all fears
Eye haven't seen any tears, not lately
Eye don't wanna land not even maybe

How desperate am eye?
Eye wonder if you r what keeps me alive
Alone eye can't get as high
Even tho eye've tried

It's different when u're grown
The wine don't taste the same
When u're alone
The size of the bed now seems like
The biggest that eye've ever known

[Chorus]

There's so much more 4 you and me 2 explore
Ooh baby baby
When you walk thru that door
Eye am gonna give you what u're waiting 4

Baby lemme break this down

Eye am gonna say this once
Then eye am gonna leave this town
If you can learn 2 open ur eyes under water

Then you and me won't drown
Without each other
Eue promise eye'll c you on the other side
Just believe in me and trust this ride
Eye am so sincere right now
Eye just...

Eye just want you here
Eye just want you near me baby
Eye'm scared eye'll cry
And love you like crazy
Eye'm flying above all fears
Eye haven't seen any tears not lately, no
Eye don't wanna land, not even maybe
Donny hathaway's "song 4 u" ain't the same
Without you
