Yeah, Louie's rap - take 1  
We got a funky one

Take me out 2 the ballpark - strike 1!  
Louie Louie in the house  
Come on y'all, get some  
I'm the designated hitter in the house  
So don't play the hold out  
Tell 'em what I'm talkin' about  
Set it up - swingin' - strike 2!  
Whole house swingin'  
People screamin' - ears ringin'  
With the sound that I'm throwin' down  
Strike 3 - U're out!  
Dropped it in the first round

CHORUS:

Hey, Louie Louie (Go, go, go, go, go, go Louie, go)  
Aw yeah  
Hey, Louie Louie (Go, go, go, go, go, go Louie, go)

Game 1 of a 7 games series  
Who's up 2 bat? L-O-U-I-E  
Now freeze, can everybody hear me?  
Mic check - 1 2 3 - Ahem! Cool!  
Now let me resume, make room  
As I zoom 2 the charts with a hype tune  
Step if U wanna with the squeeze play fly  
But before U know it - another R.B.I.  
Yeah

CHORUS

Time 2 switch - here comes a change-up  
I'm kicking it at the park with an All-star line up  
Comin' with the new gears  
Sure 2 hit the kind of record these execs are sure 2  
benefit from  
Yo, hold up P, gimme some  
Put some more kick in that bass drum - boom!  
This version makes me wanna get dumb

U got me juiced and IÂ'm lookin' 4 the home run  
Yeah

Hey Louie Louis (Go, go, go, go, go, go Louie, go)  
WhoÂ's in the house?  
Hey Louie Louis (Go, go, go, go, go, go Louie, go)

Slide in with attention  
I'm scoring a run, 4 which there is no prevention  
Home field advantage donÂ't mean a thing  
As long as U bring your swing with soul and feeling  
Dig down deep - reach a little farther  
Come correct, or donÂ't even bother  
Sooner than later everybody will know my name  
Louie LouieÂ's headed 4 the Hall of Fame - yeah!

#### CHORUS

Yo ladies, whatÂ's the call?  
Louie LouisÂ's in the house with the party yÂ'all (Oh!)  
Oh! RollinÂ' up hard - this time flexinÂ'  
5-deep sitting in my Benz  
4 those who diss and dismiss me  
Try 2 write me off and say that IÂ'm history  
Before I even start, they said IÂ'm through bookinÂ'  
Boy, IÂ'm like Ball Park Franks - I'm plump when IÂ'm  
cookin'

#### CHORUS
