Girls out there (Mm mm mm)  
Let me tell U a story  
U got these men goin' around here  
And all they wanna do is hit U in the socket

Like a thief in the night, he'll come 2 U  
Pick U right off a lonely avenue  
Telling U stories, telling U lies  
Anything 2 cover up an alibi

Then your best friend will give U the bottom line  
She said bein' his lover is just a waste of time  
And she should know a little bit more than maybe  
Cuz he left her with a baby

(He wants 2 hit U in the socket)  
He wanna hit 'cha now  
(But he's got no money in his pocket)  
Ain't that a shame?  
(He wants 2 mess between the sheets)  
Don't U do it now  
(But he can't put shoes on your feet)  
Lookie here

Just like the serpent when he spoke unto Eve  
He's the only one he wants U 2 believe (Oh yeah)  
And every time Friday comes, his mood'll change  
So he can have a reason 2 be with the boys again

Then your best friend'll give U the ever so shockin' news  
About your beloved serpent, how U thought he  
belonged 2 U  
Well, he's got another couple swingin' from the vine  
And U're just home cryin'

(He wants 2 hit U in the socket) (He'll wanna)  
Boo hoo  
(But he's got no money in his pocket)  
Ain't that a shame?  
(He wants 2 mess between the sheets)  
Don't U do it now

(But he can't put shoes on your feet)  
Lookie here, huh

He'll tell U, "Baby, if U can't stand by me  
I've got 2 drop U and chop U like a tree" (Drop U, oh  
yeah)  
Don't waste your time, girl, dealin' with that  
U oughta take the time 2 show him (what?) where the  
door is at (Hey)

(He wants 2 hit U in the socket)  
He wanna hit 'cha now  
(But he's got no money in his pocket)  
Ain't that a shame?  
(He wants 2 mess between the sheets)  
Don't do it, don't do it  
(But he can't put shoes on your feet)  
He wanna, he wanna hit U up in the socket  
(He wants 2 hit U in the socket)  
(But he's got no money in his pocket)  
Listen here now

Never bought U nothin' but heartaches and pain  
When U ain't nothin' but another link in a chain  
Take all your money, buy his alibi  
He'll sell U off every time

(He wants 2 hit U in the socket)  
Don't U think he won't  
(But he's got no money in his pocket)  
Ain't that a shame?  
(He wants 2 mess between the sheets)  
Oh, mess between your sheets now  
(But he can't put shoes on your feet)  
Can't do it, can't do it

(He wanna, he wanna, he wants 2 hit U in the socket)  
He'll... gonna steal U like the thief in the night  
(But he's got no money in his pocket)  
And ah... when he got want he want, he'll be clean out  
of sight  
(He wants 2 mess between the sheets)  
Oh, your best friend will tell U better than me  
(But he can't put shoes on your feet)  
Don't think she won't, sugar

(He wanna, he wanna, he wants 2 hit U in the socket)  
Just check your own backyard and U will see  
(But he's got no money in his pocket)  
Every Friday, his mood'll change (I know that)  
(He wants 2 mess between the sheets)

Then Monday, he'll come back 4 some of your sweet  
thing  
(But he can't put shoes on your feet)  
Boo hoo

(He wanna, he wanna, he wants 2 hit U in the socket)  
Boo hoo  
(But he's got no money in his pocket)  
Just look at yourself cryin'  
(He wants 2 mess between the sheets)  
Look at that mess cryin', hah — boo hoo  
(But he can't put shoes on your feet) {fade out}  
Boo hoo  
(He wanna, he wanna, he wants 2 hit U in the socket)
