Hon E man (Hon E man) {x2}
I've got 2 be the victim of your weekend vows {fade
out}
Hon E man (Hon E man)

I've got 2 be the victim of your weekend vows
Only 2 discover loneliness aroused
Shades of your past begin 2 stir the heat
Roll over, baby, and get off my satin sheets
Dig up!

Hon E man {x4}

Baby, never in my life in the time I've been with U
Has anyone had the ability 2 make me feel so blue
If U lost my number, that's a story 2 be told
The candle burn at both ends, baby, when niggaz get 2
bold
I might take things 2 serious or maybe not at all
It's just that I'm so curious when love bounces from wall
2 wall
(I'm so curious)
Little girls who sleep at night are better left 2 dream
I've just seen 2 many movies, baby, if U know what I
mean
Dig up!

Hon E man {x4}

I've got 2 be the victim of your weekend vows
Only 2 discover loneliness aroused
Shades of your past begin 2 stir the heat
Roll over, baby, get off my satin sheets
Dig up!

He's gonna be missin' the small details
Like the way he moves in his glove
One finger at a time

Hon E man {x2}

Dig up! {fade out}
Come on, sugar, uh!
Uh, play your horn
Good God, dig up
