{b-side of delirious}

If I had your number

Id call u on the phone

Id breathe a little heavy [...] word maybe I'd start to  
groan

I don't love u

Im just a horny toad

I don't want your money

Cause I got all I need

All I want is to rub your body until u start to bleed

I don't love u

Im just a horny toad

If I had your address

Id come right 2 your door

Id knock all day till u let me in and then I'd knock some  
more

I aint crazy

Im just a horny toad

If u think Im nasty

U aint seen nothing yet

Ysee Im the kinda brother that the more u scream the  
nastier I get

I can't help it

Im just a horny toad

Now watch me dance!

Run and go tell your boyfriend

His loving has got you bored

Might as well pack his things and get his bad ass on the  
road

Tell him u live on a lilly pad

With a horny toad
