Hot thing!

Hot thing - barely 21  
Hot thing - lookin' 4 Big Fun  
Hot thing - what's your fantasy?  
Hot thing - do U wanna play with me?

Hot thing - baby, U dance so good  
Hot thing - baby, I knew U would  
Hot thing - tell me what U see  
Hot thing - when U smile, when U smile, when U smile  
Are your smiles, are your smiles 4 me?

Hot thing - maybe U should give your folks a call  
Hot thing - tell'em U're goin' 2 the Crystal Ball  
Hot thing - tell'em U're comin' home late if U're comin'  
home at all  
Hot thing - U can tell'em U found a brand new baby doll

Hot thing - I can't... I can't wait 2 get U home  
Hot thing - where we can be alone  
Hot thing - I could read U poetry  
And then we could.. we could make a story of our own  
(We could make a story of our own)

Hot thing!  
Hot, hot, hot thing!  
Hot thing, hot thing  
Hot thing, hot thing

Hot thing - barely 21  
Hot thing - lookin' 4 Big Fun  
Hot thing - what's your fantasy?  
Hot thing - don't U wanna play with me?

Hot thing!  
Hot thing!  
Hot thing - I can't wait 2 get U home

Hot thing
