Hot with u

Chorus:

I wanna get hot with u

Get u underneath the cream and ooh

Get u doing things u thought u'd never do

Make u suck your tongue and say "ooh"

I wanna get hot with u

Take u upstairs 2 the 14th room

Multicolored lights and an ocean view

Ooh, I wanna get hot with u

I wanna get hot with u {4x}

I want 2 get hot with u

I wanna get u underneath the cream

And do the marshmallow

Ooh, I wanna get hot with u

I wanna get u 2 do something

U thought u'd never do

Like dance in front of my headlights

On a hot summer night ... nude

I wanna get hot with u

Chorus

I want 2 get hot with u

I wanna make u climb this chain around my waist

So I can prove that I'm the only one that brings out

The freak in u ...

I wanna get hot with u

I wanna get hot with u {4x}

Know the body banging, got u singing

No shouts from the neighbours, telephone ringing

Put me in positions thought I'd never do proper

Created a machine, now u know u can't stop her

Trying to turn me on - I never had this, so stop this

I'm supposed 2 tremble 'cause they call u 'the artist'?

Let's wild out - can u handle ruff riding?

Treat u like a freak of the week and had u hiding from me

I can do whatever u like, if u could take it

If I could be your girlfriend, u could catch me naked

Can't front sexually, I'd like a sample

But I don't think I'm ready 4 u 2 make me an example

I mean - come on - why front on

I'd never place time - queen in your life

I mean - will never

The days that u feeling for me ... neutral

That I'm ready 2 call u daddy

Even get got with u

Meet me early morning in a 4th dimension plane

Astral travelling hottie, I know u know my game

Underneath the cream I'll meet u

And then we'll rearrange

Everything u know of love

I'll give u reason 2 change

Hot with u

I wanna get hot with u

(I wanna, wanna ...)

I wanna get hot with u

(I want u)

I want 2 get hot with u

I wanna steal a kiss in the middle of an

Overcrowded room, yeah

That's what I wanna do, eye-eye

I wanna get hot with u

Hot with u, ooh

Chorus

Take a drive 2 the ocean

And drown u in a wave (hot with u)

Of 100,000 compliments, boo

I want u every day (hot with u)

And 2 be cool

And the only way 2 do that is every night (hot with u)

Get hot, get hot (hot) with u (hot)

Yeah baby

I wanna get hot with u

Get u underneath the cream and ooh

Get u doing things u thought u'd never do (never)

Make u suck your tongue and say "ooh"

I wanna get hot with u

Take u upstairs 2 the 14th room (oh, honey)

Multicolored lights and an ocean view (can't u see)

Ooh, I wanna get hot with u

Hot with u  
(I wanna get hot with u)

I wanna get hot with u  
Get u underneath the cream and ooh  
Get u doing things (ooh) u thought u'd never do  
Make u suck your tongue and say "ooh" (ooh)  
(ooh, ooh, ooh)  
Ooh, I wanna get hot with u

Wanna get hot with u
