People say U run around
I don't even care
I could never hold U down
I don't even dare
I just wanna play your game
No matter what the rules
I've met an awful lot of dames
But not quite as bad as U

Let me try 2 love U, I know I could
One night 2 hold U just ain't no good

CHORUS:

I don't wanna leave U
I don't wanna go
Can't U see I need U?
Girl, I need U so

I will be your doctor, babe
I'll make U feel alright, alright
I've got something 2 keep U warm
On a cold, lonely night, now turn out the light
I will never tie U down
Cuz I know U wanna be free, so free
Say U'll let me come around
Say U wanna be with me, oh baby, please

Let me try 2 love U, I know I could
One night 2 hold U just ain't no good

I don't wanna leave U
I don't wanna go, no
Can't U see I need U?
Girl, I need U so

(I don't wanna leave U)
(I don't wanna go)

All I wanna do (CHORUS)
Is make sweet love 2 U
Now U wanna leave me

What am I supposed 2 do?
Can't U hang past 2?
That was 12 o'clock at night
Why U wanna leave so soon?
Girl, U know it ain't right
Ah yeah

I don't wanna leave U
I don't wanna go (I don't wanna go)
Can't U see I need U? (Why U wanna leave me even 2
night?)
Girl, I need U so (Think about it baby, U know it just ain't
right)

I don't wanna leave U
I don't wanna go (It ain't right)

Let me try 2 love U, I know I could
One night 2 hold U just ain't no good
I don't wanna leave U, yeah

CHORUS

Oh well

CHORUS {x5
