I can see U without even looking  
I can hear U and U don't have 2 make a sound  
I can feel U without even touching  
I am near U even when U're not around

CHORUS:

I guess I'm crazy, crazy 'bout U, boy  
I guess I'm crazy, crazy 'bout U, boy  
Guess I'm crazy, yeah, yeah

On a crowded street there is no one  
Only U and me, if only in my heart  
This feeling can't be beat, loving U's so fun, so fun  
A fire burns in me, I don't need a flame 2 start it

CHORUS

If I could somehow make U see  
Everything U do 2 me  
Maybe then U'd realize  
U're the reason 4 this look in my eyes  
Don't U wanna hold me?  
Say U wanna hold me

I belong 2 U even though U don't want me  
If I'm in love with U, it's plenty a reason 2 be alive  
No one understands, they say that I'm foolish  
They say I should let U go, but U, U are my destiny

CHORUS

Ooh, if somehow I could make U see  
(Crazy, crazy about U, boy)  
All the things U do 2 me  
Maybe then U'd realize  
(Crazy, crazy about U, boy)  
That U're the reason that I'm alive

U can look in my eyes (Crazy)  
Maybe, maybe, maybe, maybe U know  
(Crazy, crazy about U, boy)

I'm crazy about U, boy  
Just one look, just one look, baby  
(Crazy, crazy about U, boy)  
I guess I'm crazy (Crazy)  
(Crazy) {x3}  
Sugar, sugar, yeah, yeah, yeah
